SIGNATURE IN-ROOM SPA SERVICE DELIVERS REJUVENATING MILESTONE – 100 EXOTIC EXPERIENCES IN 6 MONTHS – NAMED NEWPORT'S TOP IN-ROOM SPA TREATMENT

Newport, Rhode Island – June 7, 2006 – In just six months since its debut, the Legendary Inns of Newport's signature in-room spa service has been enjoyed by 100 guests and named Newport's top in-room spa treatment by AAA.

"The **Legendary Relaxation Experience**, our unique in-room spa service, has hit an impressive milestone – and much quicker than we expected," said Winthrop Baker, Group President, Legendary Inns of Newport. "A number of guests tell us, it's the best spa treatment they've ever experienced."

The signature treatment is offered at Abigail Stoneman Inn and Cliffside Inn, the group's two marquee **AAA Four Diamond** luxury Bed & Breakfast Inns in Newport, Rhode Island. **AAA Horizons magazine** recently spotlighted the spa service as Newport RI's top in-room spa treatment.

To design the signature treatment, the Legendary Inns teamed together with all natural spa guru Brenda Brock, founder of the much-talked-about **Farmaesthetics** organic spa product company, whose clients include **Golden Door Spas**, **Four Seasons Spas**, **Fred Segal Spa**, and **Bovey Castle Spa** in England, among others. The treatment combines Farmaesthetics' renowned handmade herbal remedy and massage oils, lotions, and other aromatherapies, with an individually matched massage and body treatment style that incorporates Swedish, deep tissue, trigger point and Reiki energy work.

In the privacy of their own rooms, guests enjoy an hour long body massage plus specialized treatments for the scalp, eyes, hands and feet. Each integrated treatment is matched with a complimenting Farmaesthetics product and all body work is customized by massage therapists for each guest's needs.
