## EXOTIC IN-ROOM SIGNATURE SPA SERVICE DEBUT PAIRS LEADING SPA GURU WITH NEWPORT'S LEGENDARY INNS LUXURY INN GROUP FOR UNIQUE, INDULGENT GUEST EXPERIENCE

**Newport, Rhode Island –December 1, 2005** – From the luxury Newport Inn group well known for its one-of-a-kind personalized services and amenities, comes a new level of indulgence and relaxation. The Legendary Inns of Newport unveiled its signature ***Legendary Relaxation Experience***, an exotic and innovative in-room massage and body relaxation treatment at Cliffside Inn and Abigail Stoneman Inn.

To design and launch the new spa service, **the Inn teamed together with all natural spa guru Brenda Brock**, founder of the much-talked-about ***Farmaesthetics*** organic spa product company, plus a group of Brock chosen massage therapists. The signature **Legendary Relaxation Experience** combines **Farmaesthetics'** renowned handmade herbal remedy and massage oils, lotions, and other aromatherapies, with an individually matched massage and body treatment style that incorporates Swedish, deep tissue, trigger point and Reiki energy work.

"In-room spa service is one of the hottest offerings around right now at some of the world's top resorts and spas," observed Ms. Brock, whose clients include ***Golden Door Spas, Four Seasons Spas, Fred Segal Spa***, and ***Bovey Castle Spa*** in England, among others. "At Abigail and Cliffside, we've stepped it up a level or two, which you can do at these amazing Inns -- and the guests never have to leave their room."

In the privacy of their own rooms, guests enjoy an hour long body massage plus specialized treatments for the scalp, eyes, hands and feet. Each integrated treatment is matched with a complimenting **Farmaesthetics** product and all body work is customized for each guest's needs by therapist Meredith Guerin and her team of massage therapists. The experience is finished with a drawn whirlpool bath with soothing **Farmaesthetics** salts. An individual **Legendary Relaxation Experience** is \$175. A simultaneous couples treatment with two therapists is \$350.
